

ASSEMBLY INSTRUCTIONS

1. Carefully unpack and identify all parts referring to illustration for parts identification.
2. Turn the power to the installation point OFF.
3. While threading wire through, assemble the rods (4) together using the nipples (3). Attach the end of the rods to the coupling (6). Attach the loop (5) to the other end.
4. Install the glass shade (8) onto the socket (7) and secure with the socket ring (9).
5. Install the nylon washer (10), glass panel (11), nylon washer (10), and nipple (12) sequentially. Secure with the hood (13).
6. Use the quick link to connect the loop (5) to the loop on the canopy (1).
7. Refer to the additional installation instructions included with the product for wiring and installation.
8. Install a proper bulb (not included) into the socket referring to the markings and/or labels on the fixture for maximum wattage.
9. Restore power to the installation point and retain this sheet for future reference.
